

Unpaid Internship Offer Letter

Date: 05/01/2021

Student Name : SAKSHI DHOTE

Address: 25, Kushinara Soc, Manish Nagar, Nagpur

Dear

We would like to congratulate you on being selected for the Unpaid internship program with Kartex India starting from 05-01-2021. All of us at Kartex will be excited that you will be joining our internship team!

As we discussed during the interview process, this is a non-paid academic internship during which you will be expected to provide 25 hours per week till the end of internship (05-02-2021). The internship is viewed by Tech Kartex as being an educational opportunity for you, rather than a part time job. As such your internship will include training / orientation and focus primarily on learning and developing new skills and gaining a deeper understanding of concepts through hands – on application of the knowledge you learned in class. We all know that unpaid internships aren't illegal in India. Interns aren't even entitled to get minimum wages. The Minimum Wages Act, 1948, covers mainly the unorganized primary sector.

If you have any questions, please feel free to contact Romir Meshram or me. We are very pleased that you have decided to join Kartex India. We look forward to seeing you soon and offer a very warm welcome.
